Public-redaction statement

This file is derived from a retained first-hand commercial or shipping document. The public facsimile keeps the document structure, headings, models, quantities and other evidential fields readable. Solid redaction blocks cover counterparties, contact details, prices, full serial numbers and private references. The table on the following pages is the masked public transcription.

Claim limit: this evidence record supports the stated rows and forms part of the wider documentary reconstruction. It does not alone prove the full total of 3,664 pianos.
